

Confidentiality and Online Privacy Statement

The Oracle Set Foundation, Inc. (OSF) recognizes that the efficient operation of the OSF requires the maintenance and management of extensive donor and scholarship applicant records. These records may contain sensitive information which will be shared with the OSF board and committee members on a confidential basis. OSF Board Members have an ethical and legal obligation to respect the privacy of our constituents, and to protect and maintain the confidentiality of all information and records about our constituents that we may possess, acquire, or learn of while conducting business related to the Oracle Set Book Club and Foundation.

The OSF has taken steps to ensure all personal, professional and/or financial information remains confidential and secure. Online transactions are processed through a secure server, using effective, appropriate safeguards to secure sensitive information. The OSF will not distribute or sell information voluntarily submitted on the Foundation's website or other media platforms.

The OSF assumes all rights to text, images, photographs, videos, likenesses, and voice recordings ("media") submitted through the Foundation's online platforms, including social media. Those who submit such media agree that they have relinquished all related rights and copyright to such media and that the OSF reserves the right to republish and produce new material created from submissions for the purpose of publicity, advertisements, and communications only, without personal compensation.
